Awards are made available to qualifying children and stepchildren of actively employed employees of AT&T Inc. and its participating U.S. subsidiaries. Last year scholarships were awarded totaling over \$1,500,000. Awards may be used for tuition, books, supplies, and room and board expenses. Students may pursue any major they desire.

The scholarships are awarded for one full academic year. The program is not renewable; however, students may reapply to the scholarship program each year as long as they meet the eligibility requirements.
